§ 570.902 Review to determine if CDBG funded activities are being carried out in a timely manner.

HUD will review the performance of each entitlement and HUD-administered small cities recipient to determine whether each recipient is carrying out its CDBG assisted activities in a timely manner.

(a) *Entitlement recipients.* (1) Before the funding of the next annual grant and absent contrary evidence satisfactory to HUD, HUD will consider an entitlement recipient to be failing to carry out its CDBG activities in a timely manner if:

(i) Sixty days prior to the end of the grantee's current program year, the amount of entitlement grant funds available to the recipient under grant agreements but undisbursed by the U.S. Treasury is more than 1.5 times the entitlement grant amount for its current program year; and

(ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(2) Notwithstanding that the amount of funds in the line of credit indicates that the recipient is carrying out its activities in a timely manner pursuant to paragraph (a)(1) of this section, HUD may determine that the recipient is not carrying out its activities in a timely manner if:

(i) The amount of CDBG program income the recipient has on hand 60 days prior to the end of its current program year, together with the amount of

funds in its CDBG line of credit, exceeds 1.5 times the entitlement grant amount for its current program year; and

(ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(3) In determining the appropriate corrective action to take with respect to a HUD determination that a recipient is not carrying out its activities in a timely manner pursuant to paragraphs (a)(1) or (a)(2) of this section, HUD will consider the likelihood that the recipient will expend a sufficient amount of funds over the next program year to reduce the amount of unexpended funds to a level that will fall within the standard described in paragraph (a)(1) of this section when HUD next measures the grantee's timeliness performance. For these purposes, HUD will take into account the extent to which funds on hand have been obligated by the recipient and its sub-recipients for specific activities at the time the finding is made and other relevant information.

(b) *HUD-administered Small Cities program.* The Department will, absent substantial evidence to the contrary, consider that a HUD-administered small cities recipient is carrying out its CDBG funded activities in a timely manner if the schedule for carrying out its activities as contained in the approved application, or subsequent amendment, is being substantially met.

§ 570.903 Review to determine if the recipient is meeting its consolidated plan responsibilities.

The consolidated plan, action plan, and amendment submission requirements referred to in this section are in 24 CFR part 91.

(a) *Review timing and purpose.* HUD will review the consolidated plan performance of each entitlement and Hawaii HUD-administered small cities grant recipient prior to acceptance of a grant recipient's annual certification under 24 CFR 91.225(b)(3) to determine whether the recipient followed its
